

## **Food 'n' Fun West, Wildcatter Steakhouse, November 4, 2006**

**Our Food 'n' Fun series of driving events brought us to Graham, TX, north-west of Fort Worth. Fourteen cars and 27 great folks enjoyed a nice country drive which culminated with a great dinner at a fine venue. Our poker run had a fun new twist - this time, everyone could trade cards with other participants in order to improve their hands.**

**We met at a Starbucks on west Fort Worth where Larry Vaughn briefed us on our route. From there, we began a 3-hour country drive on two-lane blacktop roads, avoiding all freeways. A late fall is just beginning here in Texas, and the leaves were starting to turn. Our caravan held together very well, each car keeping its place in line. Our line of beautiful Mercedes-Benzes must have been a sight for the local folks.**

**Poker cards were handed out at the Starbucks, at 3 stops along the way, and our dinner venue at the Wildcatter Steakhouse at Graham, TX. The restaurant sits on a bluff and features a gorgeous view of a beautiful hilly area.**

**Upon arrival, we took photos of members with their cars, enjoyed a drink at the Wildcatter's well-stocked bar, and took in the spectacular view of the hills and the valley below. Meantime, our members traded cards to improve their chances of winning a prize. After we took our places on the main dining table, we scored the cards. The winners were:**

**Best Hand - Laurence Mahoney - Free dinner plus Certificate.**

**Second - Rose Knoop - Mercedes-Benz Classic 300SL/190SL shift knob wine stopper.**

**Third - David Campbell - Mercedes-Benz T-shirt.**

**Worst Hand - Keith McCormick - Mercedes-Benz T-Shirt.**

**We then enjoyed a terrific multi-course dinner of Filet, Ribeye or Barbequed Salmon with all the fixings. Tired, but happy, and with full stomachs, we then began our individual trips home.**
